Hazel Dell on the Move

In March, our Hazel Dell branch will move 10 blocks north on Highway 99 into a new office currently under construction. Just across the highway from Wal-Mart, this new location will give our customers much easier access to the building, two covered drive-up lanes and a drive-up ATM. This location will have the Riverview feel, with a cozy sitting area and our trademark fireplace. Branch Manager, **Ginger Schmidt** and her staff are excited about the new office and know our clients will love it too!

Battle Ground & Orchards Branches Receive Face Lift

In Riverview's continuing effort to make your banking experience as pleasant as possible, our Battle Ground and Orchards branches have recently completed a total makeover. To create an environment that is brighter and fresher, we've updated the lighting, carpets, furniture and restrooms.

We can't thank our clients enough for putting up with our dust during these remodels. From their reaction to the new look, it was well worth the effort.

Riverview Supports Fill-A-Bag and Walk n' Knock Food Drives Again This Year

Food donation barrels will be in each Riverview branch through January.

A few years ago, **Kathy McKenzie**, our Stevenson branch manager, wondered why Skamania County didn't have a food drive program like the Walk n' Knock campaign in Clark County. Kathy wanted to do something about it and that's how Riverview's **Fill-A-Bag** program was born. Teaming with The Skamania County Pioneer and A & J Select Market in Stevenson, Riverview began the Fill-A-Bag program, where grocery bags are inserted into the local newspaper and our branch serves as the collection site.

Now in its fourth year, Riverview has expanded Fill-A-Bag to the White Salmon, Goldendale and Aumsville communities. Partnering with The Enterprise and Harvest Market by Thriftway in White Salmon; The Sentinel, Bryers Realty, Les Schwab and Elwood's Quality Meats in Goldendale and Aumsville IGA and the City of Aumsville.

The Fill-A-Bag grocery bags were inserted into the newspapers in mid-November and people wanting to donate can bring non-perishable food to their local Riverview branch.

Last year, we collected over 10,000 pounds of food and \$400 in cash donations through the Fill-A-Bag food drive.

For the last 23 years, the first Saturday in December has been the kick-off for Walk n' Knock. The largest food drive in Clark County collects about one-third of the annual food donations going into the county's 12 food banks.

In addition to being a financial sponsor, Riverview is also a collection site for the Walk n' Knock program. Last year, Riverview collected over 2,700 pounds of food and \$375 in our Clark County branches.

With Riverview's matching funds, the total donation was \$22,850.
