### Riverview Community Bank Customers Donate \$4,000 to Crestline Elementary

**(VANCOUVER, Wash.)** – Riverview Community Bank is pleased to announce that its customers have raised \$4,000 for Crestline Elementary School, which was destroyed by fire in February. Riverview’s Kim Capeloto, Executive Vice President – Marketing and Operations, and Jennifer Konopasek, Vice President – Retail Service Coordinator, presented the \$4,000 check to Evergreen School District Foundation Vice President Park Llafet and Secretary Ginny Gronwoldt last week.

“Our customers really care about their community, especially their schools,” said Capeloto. “We donate to a great cause every month, but when the fire happened, we knew we had to do something to support the teachers, the students and the community. We accepted donations for two weeks and had a tremendous response from our customers.”

A Crestline Elementary School alumna, Konopasek inspired the fundraising effort, which encouraged customers at all Clark County branches to donate and support the school. The largest donations came from a business client, who asked to remain anonymous, and from Rich and Loretta LeBlé, owners of four Wendy’s locations, including those on 192<sup>nd</sup> and Mill Plain Blvd.

“We know who we can count on when the community is in need,” Capeloto said. “Riverview is pleased to have such giving and caring customers, especially during times like these.”
