### Did You Know?

Congress chartered credit unions in 1934 to serve "persons of modest means" and have been exempt from federal corporate income taxes ever since. Today, many credit unions have evolved into highly profitable, multi-billion-dollar institutions offering a full range of financial services- including insurance and securities brokerage- to just about anyone. Though these institutions look and act like banks, they do not pay federal income or most state taxes.

Founded in Camas, Washington nearly 90 years ago, Riverview has long been part of the community.

Soon we will be the only bank headquartered in Clark County and we are also the second largest bank from the Portland/Vancouver area. By keeping your deposits local, your money is put to work in our communities through home loans, business lending and charitable contributions.

It's important to us that we continue to be a bank that you can be proud of and trust. Over the last year we have provided over \$275,000 in civic sponsorships and donations. Riverview was named one of the **Top 75 Philanthropic Companies in Washington** and one of the **Top 100 Companies to Work For in Washington and Oregon**.

### *Still Providing the Best in Local, Personal Service.*

At Riverview, you still get FREE Checking, over 22,000 FREE ATMs, FREE Mobile Banking, and NO FEE Debit Cards! Plus, when you want to talk to one of our 17 convenient branches you can call them directly without going through an automated phone system. When you visit us, we greet you warmly. When you have questions or concerns, we want to help you quickly and efficiently. Whether you need a cup of coffee or your dog needs a biscuit, it will come with a smile.

As we start a new year, we want to thank you for your loyalty and your business. In the coming months, we will be rolling out some exciting enhancements to our Internet Banking, the long awaited iPhone/Droid apps and new ways to give back to our community.

Best wishes and Happy New Year from all of the Employee-Owners of Riverview!

Special thanks to retiring Corporate Secretary Phyllis Kreibich following nearly 35 years of service. We wish Phyllis all the best in her retirement and thank her for her years of dedication and hard work. She will always be a member of the Riverview Family! She will always be Mom to us.

Fans responding to our "LIKE US" and "Share" campaign on Facebook have helped raise more than \$700 (and counting) for this year's food drives! The promotion runs through mid-January. Simply LIKE Riverview on Facebook or share our page and we'll donate \$1 to a local food bank! Yes, it's THAT easy. Thank you, fans! # Thirty Years of Giving

Thank you to Riverview employees for contributing to our Gifts for Kids in Care campaign for local foster children! This year, 93 employees donated 365 gifts to individual children and our gift bank! We adopted 26 children from Portland and 25 children from Goldendale/White Salmon. About 75 foster children will benefit from our gift bank, which serves Clark County children just entering the system this November and December.

## Riverview Food Drives Continue Through Mid-January!

SnowCap Community Charities is now serving 10,000 residents per month, up from 7,000 per month last year. SnowCap reports that the need is so great that even Riverview's highly successful Fill-A-Bag effort to stock shelves during our annual food drives will only last a couple of months. That's why we're continuing our food drives through mid-January and encourage you to consider donating to your local food bank year-round. Hunger doesn't have a season.

All Riverview locations are accepting food and donations through mid-January. Remember that for every \$1 donated, organizations like SnowCap and the Clark County Food Bank can buy 20 pounds of food.

*Thank you to Santa, Jim Baldovin and Ron Wysaske for helping out with donations to our annual Fill-A-Bag food drive!*
