## *Smart Money: Safe Internet & Mobile Banking Tips*

We work hard to ensure your safety with safe, secure, reliable systems. However, it is important to remember that you, the consumer must also take precautions to protect yourself.

- **Passwords** – Never share your password or PIN (Personal Identification Number) and change your password often. Most fraud involves accounts compromised by someone the victim knows.
- **Virus protection** – Install anti-virus software on your computer. Some experts are also recommending virus protection for iPhones and other mobile devices.
- **Email** – Never send sensitive personal or financial information by email. Riverview now has secured inside Internet Banking messaging added customer protection so you can safely share account detail with us.
- **Sign Off** – Always log off when banking online or via your mobile device. Also, do not register your account upon login when working from a public computer.

# Riverview Named One of the Best!

Riverview was recently named as one of the 100 Best Companies to Work For in Oregon, by *Oregon Business* magazine.

"This honor would not be possible without the dedication and commitment of our employee-owners," said Ron Wysaske, President of Riverview. "Our employees provide the best in local, personal service to our clients and are to be commended for actively supporting a positive team environment."

*Oregon Business* conducts the 100 Best Survey each year. This is the first year Riverview has participated in the Oregon survey; however, the Bank is a past recipient of *Seattle Business* magazine's 100 Best Companies to Work For in Washington award. Riverview has three branches and a commercial lending team based in Oregon.

Riverview Bancorp, Inc. is a publicly traded company (symbol "RVSB" NASDAQ Small Cap Market) with more than 275 talented employee-owners. The 100 Best awards recognize companies for their employee-focused work environments and policies, and are based on extensive survey results of both employees and management. This year, 263 Oregon companies with over 14,000 employees participated.

## *Annual Winter Food Drive Breaks Records*

We're pleased to announce that the equivalent of **296,000 pounds** of food was collected for local food banks during this year's Fill-A-Bag and Walk and Knock efforts, including a \$5,500 contribution from the Bank. Thank you to all our friends, customers and community partners like Gresham Ford, who helped bring in more food than ever before.

"Once again this food drive proved just how generous our local communities are," said Ron Wysaske, President of Riverview.

"Working together, we made a difference and helped ease a burden for many families."
